Germans Check French Advance at Arras But Allies Win at Other Points on Line

All Germans Driven From Left of Meuse, Says French Report

Allies Make Steady Progress North of the Somme—Violent Counter Attacks by Germans Breaking Under Dogged Front of the French and British—Antwerp Successfully Withstanding Attack, Thousands of Germans Being Slain by Machine Guns of Defenders.

Paris, October 2.—(11:03 p. m.)—The following official communication was issued tonight:

"First—On our left wing one of our detachments which came out of Arras (a fortified town and capital of the department Pas de Calais) has fallen back a little toward the east and north of that city.

"North of the Somme we have made progress in front of Albert. Between Roye and Lassigny the enemy has directed violent attacks which have broken against our resistance.

"Second—Quiet prevails along the rest of the front. It is reported that in the neighborhood of St. Mihiel (department of Meuse, twenty miles southeast of Verdun), there remains no enemy on the left bank of the Meuse."

An official statement issued by the war office this afternoon says that terrific fighting continues incessantly near Roye, where the Germans have been strongly reinforced.

The statement says:

"On our left wing the battle continues with terrific fighting, notably in the region of Roye, where the Germans appear to have concentrated important reinforcements. The action extends more and more toward the north.

"The front of the battle line is now extended into the region to the south of Arras.

"Upon the Meuse the Germans attempted at night to throw a bridge across the river near St. Mihiel. The bridge was destroyed by our guns.

"In the Woëvre district our offensive continues and progresses step by step, notably in the region between Apremont and St. Mihiel.

"On the remainder of the front there have been attempted only partial operations here and there."

Three Weeks of Fighting Result in No Decision On Battlefield of Aisne

London, October 2.—(12:30 p. m.)—The battle of the Aisne, as it still is called, although the armies contending in it have spread far beyond that river, has been in progress just three weeks and no decision has been reached. Reports from Paris earlier in the week that the allies' operations were about to succeed, were premature. From all appearances there must be more hard fighting before either side gives way.

The heaviest blows are being given and taken in the western area where, according to today's French official communications, extremely violent battle continues, especially in the Roye district, where the Germans have concentrated considerable forces. The communication added that the action was extending more and more northward, and that the fighting front now extended north of Arras.

Private telegrams received in London tonight announced that the French actually have recaptured Arras. Stubborn resistance is being offered by the Germans in the vicinity of Roye, where earlier in the week they occupied heights which they later were forced to abandon.

Frontal Attacks Close.

Along the front from the Oise to the Meuse rivers, according to the French report, only partial operations have been attempted by either side. Frontal attacks by the allies, as a matter of fact, have been discontinued, while the Germans are fighting for ascendancy.

On the allies' right the Germans have made another attempt to cross the Meuse at St. Mihiel, where they got across last week. The German attack to regain the ground which they had

RUSSIANS CAPTURE PRZENYSŁ FORTS

Austrian Stronghold Is Attacked on All Sides—30,000 Germans Killed or Wounded and 20,000 Captured.

London, October 2.—(12:05 p. m.)—Reuters' Rome correspondent says news received in the Italian capital from Russian headquarters declares that Przenysł, Galicia, has been attacked by the Russians on all sides. Two of the forts, it is said, already have been taken and from these the Russians have silenced several Austrian batteries.

A dispatch to the Central News from Rome says:

"The Russian embassy here has issued a communication announcing that the Germans have suffered a terrible defeat in the provinces of Lodz and Suwalki, Russian Poland.

"The Germans," the communication says, "were attacked with extreme violence and compelled to flee from Suwalki, Ostrowiec and other towns, leaving behind great quantities of transport and guns. Their troops threw away rifles and baggage. Numerous cannons were abandoned.

Telegrams from Petrograd, the Central News correspondent at Rome says, declare that the Germans have lost 30,000 men in killed or wounded and 20,000 taken prisoners.

COUNCIL APPROVAL OF FINANCE SHEET EXPECTED MONDAY

Budget Adopted by Committee Provides \$11,812 for Abolishing Double Sessions in City Schools.

EDUCATION BOARD READY TO MAKE THE CHANGES

All Space Available in Public Schools Will Be Used. Rooms Will Be Leased Wherever Necessary.

In the hands of Mayor Woodward and Atlanta's general council the October appropriation sheet was placed by the finance committee, Friday morning, and whether or not Atlanta's public school system will get the \$11,812 appropriated for grammar and high school teachers, hinges on the action council will take when it meets Monday afternoon.

Without flinching it necessary to recall any of the special street appropriations, the finance committee approved the tentative sheet over the protest of Mayor Woodward.

The only street improvement fund taken by the committee was \$4,000 from the West Mitchell paving and regrading appropriation made last January. The sheet was made to balance with \$13,100 unearned revenue from the tax and market office, of which Mayor Woodward objected.

With Charles Frank, chairman of the committee, stated after the sheet was placed by the council that the 1915 finance committee will be able to get the West Mitchell street fund the \$14,000 taken from it to balance the sheet, and an additional amount to carry on the work until the June sheet is passed.

Mayor Woodward still declines to comment on the sheet, except to say that the finance committee reached too far in estimating that the tax revenue available for use during the last months will be \$13,100.

"I came into office two years ago," Mayor Woodward said, "and I complained the mayor, 'and in my official address I told the people of the city that I would wipe the slate clean of these debts and have a clean budget to start with on the first of January. I have wiped out \$700,000, and all I ask the finance committee to do was to help me to get the city on a solid footing to begin the new year."

Mayor Woodward would not intimate what action he will take when the sheet reaches the council for approval.

Committee Will Adopt Sheet.

Members of council have not shown the sheet as prepared by the finance committee, and floor leaders say that there is not likely to be any in view of the fact that the committee has not taken any of the funds passed by the council in June for special improvements other than the West Mitchell money.

Members of the school board are going to ask Mayor Woodward not to disturb the sheet and let the committee have the benefit of the school board's suggestions. The board will make its suggestions to the finance committee in the event the mayor gives his approval to the sheet. The board will make its suggestions to the finance committee in the event the mayor gives his approval to the sheet.

Wherever it is possible, assure members of the board, the space available for use in the public schools will be utilized, and when necessary demands, the board will authorize Superintendent Sloan to lease rooms suitable for school purposes in school neighborhood.

WILLIAM M. SMITH SAYS HE HAS FAITH MURDER MYSTERY WILL BE SOLVED

Asserts He Had Plans to Liberate Factory Superintendent, But Was Prevented by Conditions Which He Does Not Care to Discuss—Intimates He May Reveal Them Later.

**ALL THAT IS NEEDED
NOW IS CO-OPERATION
OF OFFICERS, HE SAYS**

Solicitor Dorsey Declares That He Has No Statement to Make on Development—Dan Lehon Says That He Had Known of Smith's New Opinion for Some Time.

That he not only believes Leo M. Frank innocent of the murder of Mary Phagan, but will seek to demonstrate his innocence, was the statement made last night by Attorney William M. Smith, counsel for the man, Jim Conley, Frank's accused slayer, and a convicted accessory after the crime.

The statement came when a reporter for The Constitution queried the attorney in regard to persistent rumors that Conley's counsel had experienced a change of opinion in the Frank case. Mr. Smith dictated his words over the telephone.

Mr. Smith also declared that he had previously sought to manifest Frank's innocence, but was unable to do so by conditions which handicapped him.

**WILL SOLVE
MYSTERY.**

Smith states that, with the proper co-operation of officials, Frank will be freed, and that the mystery of Mary Phagan's murder will be solved. He also adds that he never has believed Frank to be a pervers, although Conley testified so repeatedly on the stand.

"I have never ceased to be a student of the case," Smith's statement reads. "Practically all of my spare time has been devoted to a study of it. I have come definitely to the conclusion, or, at least, this is my personal judgment after much study—that Leo M. Frank is innocent, and that if a proper co-operation of officials can be secured, I have absolute faith that the mystery of the death of Mary Phagan will be solved to the satisfaction of every reasonable man in this community. I have never believed Frank to be a pervers."

At the conclusion of his statement Mr. Smith was asked on what new facts he based his conclusion.

"I would rather not discuss that now," was his reply.

"Do you intend trying to secure the freedom of Frank?" was another question.

**HAD PLANS
TO FREE FRANK.**

"I have had plans of that nature," he answered, "and have sought before this to put them in operation, but was prevented by conditions, which I do not care to discuss. I still hope to demonstrate Frank's innocence and obtain his freedom."

"Inasmuch as you say Frank is innocent, do you mean to imply that Conley is guilty?" was put to him.

"I wouldn't care to be quoted now on that point," was his answer.

Solicitor Dorsey, when asked of this statement, stated over the telephone that he had nothing to say in reply and that he would rather not discuss the subject. The solicitor, when asked earlier in the afternoon if he had heard anything of the rumor that Conley's lawyer had had a change

SERVICES IN HONOR OF FEAST OF SUKOS AT AHAVATH ACHIM

Special services will be held by the congregation Ahavath Achim at the synagogue, corner Piedmont avenue and Gilmer street, beginning at 8 o'clock Sunday afternoon in a celebration of the feast of Sukos. Chino Solo E. Goldstein will open the services. Special prayer services will also be offered. Rabbi E. Food will lecture on the subject "The Tabernacle of Peace."

The feast of Sukos is one of the oldest of the Jewish holidays. It is observed by the Orthodox congregations and by the reform church. It recalls the flight of the Jews from Egypt into the wilderness. Sukos, in the old Jewish language, means tents which were the first places of abode of the Jews from Egypt.

The holiday in commemoration of the feast will last eight days.
