By Frank L. Stewart

In the Night.

He was never in the low-

ground, where the wind

of trouble chills the

citizen of joy he was

a brother of the hills;

"How's the world-a-goin'?"

Opened all life's windows—just let in all

Forevermore a-havin' of a halloin' time.

No storms could blow the stars out—no

Could drown the joyous throng of the sing-

Peace, with a forever—the peace of God

sublime.

## DICK JEMISON CALLS SERIES IN PERSON

Insuring Fans of Accurate Description of World's Series Games.

Dick Jemison will call the world's series baseball game in person at his place, 116 Viaduct place. This insures Atlanta fans of the most up-to-date, accurate and complete description of the game available.

Every ball, every strike, every run, hit and error and, in fact, everything that can happen in a ball game will be called from the platform, direct from a leased wire to Shibe park in Philadelphia and Fenway park in Boston.

Every play will also be recorded on the most up-to-date scoreboard in the entire south, on which the individual records of each player during the game will be recorded and the totals carried on. In brief, the box score will be made right before your eyes.

The fans can feel perfectly at home at Dick Jemison's place. They can smoke, chew, take off their coats, stand up and yell in other words act as at the baseball parlors just like they would at the ball park.

The first game is Friday, October 9. It starts at 7 o'clock, Atlanta time. The ball will be opened at 11:30 and the incidental details before the actual play will be called to local fans. The admission fee is 50 cents.

By arrangement with the Cobb Cigar company, Mr. Jemison will give away with each admission ticket an "O. C." cigar. Others can be purchased during the game in the same building.

## GEORGIA ELEVEN GETTING READY FOR THE TIGERS

Athens, Ga., October 6.—(Special.)—Georgia's football team is bucking down to business for the first game of the season, which the Red and Black are expected to be hard to handle—the one with the Howards Tigers.

The slippery field was not to bear all the blame for the poor work of Georgia Saturday—for the Charleston team, who had an arm breaker, a line buster and a shiner. The game is going well, but will be out of the hands of the Georgia players at the end of the game.

A new one Saturday worked well. Every man except the one to whom the ball is snapped "line up" and the player who carries the ball last acts as center and passes it for the next play as soon as he is up from being downed. It was the fastest executed play seen on Sanford field. Others even better are in stock for other opponents.

# Red Smith Breaks Leg---Out of Series

## Athletics' Speedy Outfielders

On these three men will fall the burden of overtaking any long drives that the Boston batmen may hammer over the infield in the coming world's series. Mack's outfield is composed of three brilliant fielders, who are fast on the bases. Their batting is only average, but their all-round play is excellent.

# Red Smith Breaks Leg; Deal Selected to Play Hot Corner in Big Series

New York, October 6.—James C. Smith, third baseman of the Boston National league club, broke his right leg just above the ankle in sliding to second base in the ninth inning of the first game of today's double-header with Brooklyn. Smith's place in the world's series will be taken by Charlie Deal, utility infielder.

Manager Stallings and Captain Evans Smith, however, during the season would not be a serious handicap to the team's effectiveness in the world's series. As Deal could fill the place satisfactorily, other members of the team expressed the same opinion. All the players declared themselves confident of defeating the Athletics.

Deal played third base for the

Browns in the early part of the season, but developed "charley horse" and suffered from sore throat. His place was taken by Smith, who was purchased from Brooklyn. It was said tonight that Deal has recovered fully and will be in condition for the world's series.

"We were well prepared for just such a contingency," said Manager Stallings. "I am glad to be in a position to say there is not a man on the team into which we could not put a substitute at a moment's notice."

We are going to give the Athletics the hardest run they ever got."

**BOSTON TEAM IN PHILADELPHIA.**

Philadelphia, October 6.—The Boston National league baseball team, which will meet the Philadelphia Athletics for the championship of the world, arrived here tonight to prepare for the opening game of the series scheduled for Friday.

Fred Mitchell, former American league player, who is coaching the Boston pitchers, witnessed today's game between the Athletics and New York. He declared that the loss of Smith might weaken the batting strength of the Braves, but that Deal is as good a fielder as Smith. Philadelphia and Catcher Whalling, also saw the Athletics in action.

Interest in the approaching series appears even greater than in former years here. Nearly a thousand boys and men were in line tonight awaiting a chance to purchase tickets for the series at the opening of the public sale tomorrow morning. The monotony of the long wait was broken by several games of cards and pinocle.

Joseph M. McCready announced tonight that press credentials for Shibe Park will be ready for delivery at 3 o'clock Thursday afternoon at press headquarters here. Judging from the number of applications, there will be more newspaper men present at the coming series than ever before. Among the requests for reservations are eleven from correspondents for papers in Havana, Cuba.

# EMORY FOOTBALL SEASON STARTED

Emory College, Ga., October 6.—(Special.)—Emory's intercollegiate football season has opened with one game, the standing being:

Club	P	W	L	P.C.
Seniors	1	1	0	1.000
Juniors	1	1	0	1.000
Sophomores	0	0	0	.000
Freshmen	0	0	0	.000

On a field greatly marked by a cake of red mud Emory's football season was formally ushered in with a battle between the seniors and juniors, with the former winning by the margin of 6 to 0. The victorious touchdown came in the second quarter, when DeMont carried the ball over after a series of straight line bucks. Two 40-yard runs followed in the game, one by Stewart, of the Seniors, and Humble, of the Juniors. The game developed soon into straight old football with both teams satisfied to hold the other.

By consent of the captain the scheduled Sophomore-Freshman game was turned into a lively scrimmage and resulted in two touchdowns for the Seniors. Almost invariably each Freshman, however, is a captain of fire, and they behaved well in the fact, strong attack from the Seniors. A new back, featured for the Sophomores.

# OCTOBER ISSUE SOUTHERN GOLF MAGAZINE OUT

The October issue of The Southern Golf Magazine is just from the press. It is the eighth and last of the year, and is the initial issue of the paper this month.

This is the object of the publishers, to make each succeeding issue better, until they have the best golf publication in the world. The magazine fills a long-felt want in southern golfing circles, and is destined for continued success.

# PETER VOLO BREAKS THREE WORLD RECORDS

Lexington, Ky., October 6.—Four world records were smashed today, the second day of the grand circuit meeting, Peter Volo, in winning the

\$14,800 Kentucky Futurity for 3-year-old trotters, set three new marks when he lowered the world's record for 3-year-old trotters to 1:58 1-2. At the same time setting a new mark for the fastest third heat for a 3-year-old trotter and the fastest three-heat race for a trotter of any sex of that age.

Tommy Horn, in winning the 1:59

trout postponed from yesterday, trotted the fastest seventh heat on record when he trotted the mile in 1:58 1-2. Peter Volo was pushed in first two heats by Lee Asworth and in the third by Lady Wentworth, but led all the way in each. His fractional time in the third was 32, 1:28 1-2, 1:32 1-2, 1:32 1-2.

# Mistakes Men Make Buying Underwear

Some men still cling to the mistaken idea that all union suits are made the same way.

They don't realize that there is as much difference in the ordinary cut-from-knitted cloth garment and the handsome, refined, fashioned-to-form Vassar union suit as between a brogan and a stylish street shoe.

They never will realize it either, until they see Vassar.

Vassar Union Suits are not difficult to find. Merely a matter of asking one of the better haberdashers in any city to show the goods.

# Vassar Union Suits for Gentlemen

Knit to the form—one suit at a time Swiss-ribbed fabrics—velvety elastic cuffs and ankles knitted on—not sewed on—don't roll up or stretch out, specially tailored button-holes—sweat-wicking pull out finished like tailored clothes—these exclusive features make Vassar Union suits distinctive.

# Where's your old jimmy pipe?

No matter how old it is, no matter how long standing your kick or how much you've misused or abused it, dig out that jimmy pipe! Get it right back on the firing line! Jam in a bunch of Prince Albert and make some fire. What's the answer what's the answer?

Why, it'll just about wise-you-up-some as to why Prince Albert leads the band wherever men smoke pipes or roll their own cigarettes. As makin's, P. A. has the Indian sign on all the fire-brands and chaff-brands. It's the most delightful roll'em cigarette smoke you ever hooked up a match to.

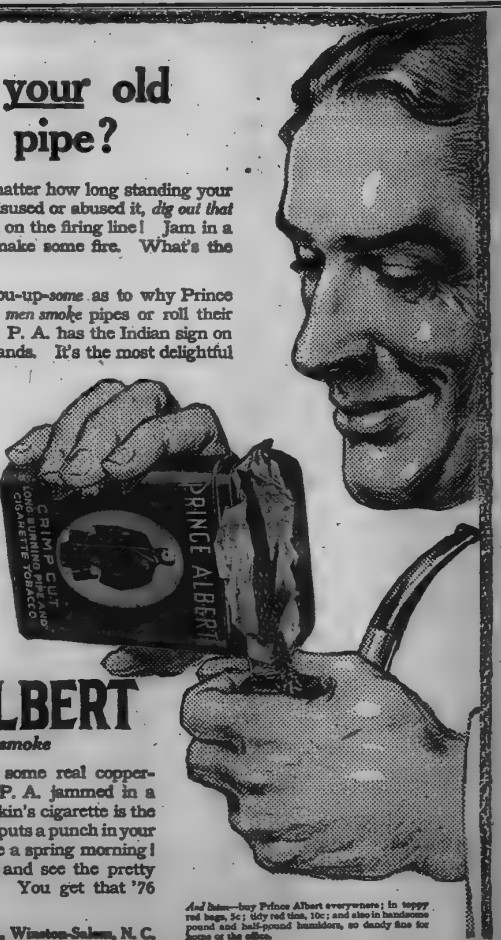

Get the idea now that P. A. throws a jolt into any notion you or any other man ever had about stung, bitten, nipped, broiled tongues! Because Prince Albert can't bite! The bite and throat parch are cut out by a patented process.

And remember, no other tobacco ever was, or is today, in the same class with P. A.

# PRINCE ALBERT the national joy smoke

## SMALL PROSPECT OF AN ARMY-NAVY GAME

Washington, October 6.—The athletic associations at Annapolis and the United States Naval Academy, which were expected to play a game for the Army-Navy football trophy this year, have decided to postpone the game until next year.

The reason for the postponement is the fact that the Naval Academy has decided to play a game for the Army-Navy football trophy this year, which will be played in the fall of 1915.

## OLDING V. CONNOLLY

## CO-OPERATIVE EXCHANGE WILL OPEN SHORTLY

Syndicate Plan Practically Completed and a More Optimistic Feeling in Cotton Circles Prevails.

New York, October 6.—A more optimistic feeling developed here today with reference to the possibility of the result of the cotton market in the near future. This seemed to be largely the result of the fact that the syndicate plan for taking over all the remaining interest in old contracts had been practically completed.

In addition to this, it is proposed to form a syndicate which will buy from the corporation all cotton contracts which it has on hand. The syndicate will be composed of the members of the corporation and will be organized to buy from the corporation all cotton contracts which it has on hand.
